The purpose of the Pre-Hearing Conference is to allow parties to better understand the hearing process and to provide clarity on the issues that will be discussed at the Public Hearing. Traditionally, this meeting is attended, in-person or by conference call, by both the Interveners and their legal counsel; parties should be prepared to discuss the following:

- Any preliminary legal issues or matters or clarification that parties feel the Board should address before the Hearing;
- A list of topics that your party will address in your evidence;
- A list of representatives who will be presenting; and
- An indication of how much time you will need to present your Intervention.

The meeting will follow these agenda topics:

	TOPIC
1.	MVLWB Opening Comments
2.	Roundtable Introductions
3.	Hearing Representatives
4.	Hearing Format
5.	Procedural and Legal Details
8.	Next Steps in Process (Review of Work Plan)
