Senior Technical Advisor – Closure and Reclamation
Mackenzie Valley Land and Water Board
Northwest Territories

The MVLWB is a highly-respected organization with a collaborative and dynamic work environment. We are focused on fulfilling our mandate to provide for the conservation, development and utilization of land and water resources for the optimum benefit of residents of the Mackenzie Valley resource management area of the Northwest Territories and for all Canadians.

The Senior Technical Advisor – Closure and Reclamation is responsible for carrying out technical reviews of submissions made to the Board, contracting and managing external expert support, participating as a member of project teams, managing and mentoring staff, and participating in policy and systems development.

The successful applicant will have a relevant university degree with related experience and the following competencies: an understanding of land and water use regulation processes; proven communications, presentation, and interpersonal skills; project management skills; and the ability to operate in a fast-paced, collaborative, and cross-cultural environment. Education and experience equivalencies will be considered.

This challenging opportunity includes a competitive compensation and benefits package. Interested candidates are invited to apply in confidence by **November 25, 2018 before 2:00pm MST** to the attention of:

Allan Twissell
NorthWays Consulting
e-mail: northwayscareers@northwestel.net

Only those applicants selected for an interview will be contacted. Thank you for your interest in this competition.
